GENERAL INFORMATION

This proxy statement is furnished to the shareholders of SCI Engineered Materials, Inc., an Ohio corporation (the “Company”), in connection with the solicitation of proxies to be used in voting at the Annual Meeting of Shareholders to be held at our executive offices located at 2839 Charter Street, Columbus, Ohio 43228 on June 5, 2019 at 9:30 a.m., and at any adjournment or postponement thereof (the “Annual Meeting”). The enclosed proxy is being solicited by our Board of Directors. This proxy statement and the enclosed proxy will be sent or given to our shareholders approximately April 24, 2019.

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, fax, or personal interview.

Voting Procedures

The shares represented by the accompanying proxy will be voted as directed if the proxy is properly signed and received by us prior to the Annual Meeting. If no directions are made to the contrary, the proxy will be voted **FOR** the election of John P. Gilliam, Emily Lu, Laura F. Shunk, Edward W. Ungar, Charles Wickersham, and Jeremiah Young as directors of the Company, to **APPROVE** the executive compensation, to recommend a vote for a frequency of **THREE YEARS** for the executive compensation votes, to **RATIFY** the independent registered public accounting firm and to transact such other business as may properly come before the meeting or any adjournment thereof. Any shareholder voting the accompanying proxy has the power to revoke it at any time before its exercise by giving notice of revocation to us, by duly executing and delivering to us a proxy card bearing a later date, or by voting in person at the annual meeting. You may vote by mail or in person at the meeting. The officers, directors, and nominees for directors of the Company are the beneficial owners of 18.7% of the Company’s issued and outstanding shares as of the record date. The officers, directors and nominees for directors of the Company have indicated that they will vote in favor of each nominee for director, to ratify the independent registered public accounting firm, to **APPROVE** the executive compensation and to recommend a vote for a frequency of **THREE YEARS** for the executive compensation votes.

Voting by Mail

By signing and returning the proxy card in the enclosed prepaid and addressed envelope, you are authorizing the individuals named on the proxy card (known as “proxies”) to vote your shares at the Meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the Meeting. In this way, your shares will be voted if you are unable to attend the Meeting. If you receive more than one proxy card, it is an indication that your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted.

Voting in Person at the Meeting

If you plan to attend the Meeting and vote in person, we will provide you with a ballot at the Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the Meeting. If your shares are held in the name of your broker or other nominee, you are considered the

beneficial owner of shares held in street name. If you wish to vote such shares at the Meeting, you will need to bring a legal proxy from your broker or other nominee authorizing you to vote such shares.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the Meeting. In order to do this, you must:

- Enter a new vote by signing and returning another proxy card bearing a later date;
- Provide written notice of the revocation to SCI Engineered Materials, Inc. Secretary; or
- Attend the Meeting and vote in person

Quorum Requirements

The presence, in person or by proxy, of a majority of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

Broker Non-Votes

Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters. If your broker holds your shares in its name and you do not instruct your broker how to vote, your broker will nevertheless have discretion to vote your shares only on "routine" matters. Your broker will not have discretion to vote on any of the other matters, which are "non-routine" matters, absent direction from you. **Election of Directors is no longer a "routine" matter and your broker may not vote on this matter.** Accordingly, shares subject to a broker "non-vote" will not be considered entitled to vote with respect to the election of directors.

Votes Required

The election of the director nominees and the ratification of the independent registered public accounting firm for the year ending December 31, 2019, requires the favorable vote of a plurality of all votes cast by the holders of our common stock at a meeting at which a quorum is present. Proxies that are marked "Withhold Authority" and broker non-votes will not be counted toward such nominee's achievement of a plurality and thus will have no effect.

Each other matter to be submitted to the shareholders for approval or ratification at the Annual Meeting requires the affirmative vote of the holders of a majority of our common stock present and entitled to vote on the matter. For purposes of determining the number of shares of our common stock voting on the matter, abstentions will be counted and will have the effect of a negative vote; broker non-votes will not be counted and thus will have no effect.

No Dissenters' Rights

The proposals described in this Proxy Statement will not afford shareholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

ELECTION OF DIRECTORS

Current Chief Executive Officer (CEO) and Chairman of the Board of Directors, Daniel Rooney, has announced his retirement and will not seek reelection as a director of the Company. Mr. Rooney has been a director of the Company since joining us in March 2002 as President and CEO. The Board of Directors recommends that the shareholders vote FOR the election of the nominees for director.

Blaskie, SCI Engineered Materials, Inc., 2839 Charter Street, Columbus, Ohio 43228. Any correspondence addressed to the Board of Directors or to any one of our directors in care of our offices will be forwarded to the addressee without review by management.

We make our proxy solicitation materials on Schedule 14A, annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Exchange Act, available free of charge on our website at www.sciengineeredmaterials.com as soon as reasonably practicable after we electronically file such material with the SEC.

Board Leadership Structure

On January 8, 2003, the Board appointed Mr. Rooney, our Chief Executive Officer, as the Chairman of the Board. We have no Lead Independent Director. Mr. Rooney announced his retirement effective May 2019. Mr. Rooney will remain as Chairman of the Board until the Shareholder's Meeting on June 5, 2019. The Board expects to appoint Mr. Young as CEO upon Mr. Rooney's retirement.

The Chairman of the Board provides leadership to the Board and works with the Board to define its structure and activities in the fulfillment of its responsibilities. The Chairman of the Board sets the Board agendas with Board and management input, facilitates communication among directors, and presides at meetings of the Board of Directors and shareholders.

Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the company. The involvement of the full Board of Directors in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company. Risk is assessed throughout the business, focusing on three primary areas of risk: financial risk, legal/compliance risk and operational/strategic risk.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, the committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual management letter from the Company's external auditors. The Audit Committee typically meets with the external auditors four times per year. In addition, in setting compensation, the Compensation Committee strives to create a combination of near term and longer incentives that encourage a level of risk-taking behavior consistent with the Company's business strategy.

Committees of the Board of Directors

We have an Audit Committee, a Stock Option and Compensation Committee, and a Technical Committee.

The Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the plan of the annual audit. The Audit Committee reviews, in consultation with the independent auditors, the report of audit, or proposed report of audit and the accompanying management letter, if any. In addition, the Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the adequacy of the internal accounting controls. The Chairperson of the Audit Committee is Mr. Gilliam, and the current members are Dr. Ungar and Dr. Wickersham. The Audit Committee met four times during 2018. The Board of Directors has determined that Mr. Gilliam and Dr. Ungar qualify as "audit committee financial experts" as that term is defined in Item 407 of Regulation S-K. Members meet the criteria for audit committee independence as defined in NASDAQ Rule 4350, and Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended.

The Stock Option and Compensation Committee ("Compensation Committee") reviews executive compensation and administers our stock incentive and incentive compensation performance plans. The Chairperson of the Compensation Committee is Ms. Shunk and the current members are Ms. Lu and Dr. Ungar. The Compensation Committee met three times during 2018.

The Board of Directors authorized formation of a Technical Committee at its December 5, 2018 board meeting. The Technical Committee was formed to identify new markets and products. The chairperson of this Committee is Dr. Wickersham and current members are Mr. Rooney and Mr. Young.

The Board of Directors has determined that it is not necessary to establish a nominating committee due to its limited size. Nominations for directors are considered by the entire Board of Directors. The directors take a critical role in guiding the strategic direction and oversee the management of the Company. Director candidates are considered based on various criteria, such as diversity in broad based business and professional skills and experiences, a global business and social perspective, concern for long term interests of shareholders, and personal integrity and judgment. In addition, directors must have available time to devote to Board activities and to enhance their knowledge of the industry. The Board seeks nominees with a broad diversity of experiences, professions, skills and backgrounds. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company. Recent developments in corporate governance and financial reporting have resulted in increased demand for such highly qualified and productive public company directors.

The Board of Directors will consider the recommendations of shareholders regarding potential director candidates. In order for shareholder recommendations regarding possible director candidates to be considered by the Board of Directors:

- such recommendations must be provided to the Board of Directors, c/o Gerald S. Blaskie, SCI Engineered Materials, Inc., 2839 Charter Street, Columbus, Ohio 43228, in writing no later than February 8, 2020;
- the nominating shareholder must meet the eligibility requirements to submit a valid shareholder proposal under Rule 14a-8 of the Securities Exchange Act of 1934, as amended; and
- the shareholder must describe the qualifications, attributes, skills or other qualities of the recommended director candidate.

Compensation Committee Interlocks and Insider Participation

None of our executive officers have served:

- as a member of the Compensation Committee of another entity which has had an executive officer who has served on our Compensation Committee;
- as a director of another entity which has had an executive officer who has served on our Compensation Committee; or
- as a member of the Compensation Committee of another entity which has had an executive officer who has served as one of our directors.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 1701.13(E) of the Ohio Revised Code gives a corporation incorporated under the laws of Ohio power to indemnify any person who is or has been a director, officer or employee of that corporation, or of another corporation at the request of that corporation, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by him/her in connection with any threatened, pending or completed action, suit or proceeding, criminal or civil, to which he/she is or may be made a party because of being or having been such director, officer, employee or agent, provided that in connection therewith, such person is determined to have acted in good faith in what he/she reasonably believed to be in or not opposed to the best interest of the corporation of which he/she is a director, officer, employee or agent and without reasonable cause, in the case of a criminal matter, to believe that his conduct was unlawful. The determination as to the conditions precedent to the permitted indemnification of such person is made by the directors of the indemnifying corporation acting at a meeting at which, for the purpose, any director who is a party to or threatened with any such action, suit or proceeding may not be counted in determining the existence of a quorum and may not vote. If, because of the foregoing limitations, the directors are unable to act in this regard, such determination may be made by the majority vote for the corporation's voting shareholders (or without a meeting upon two-thirds written consent of such shareholders), by judicial proceeding or by written opinion of legal counsel not retained by the corporation or any person to be indemnified during the five years preceding the date of determination.

Section 1701.13(E) of the Ohio Revised Code further provides that the indemnification thereby permitted shall not be exclusive of, and shall be in addition to, any other rights that directors, officers, employees or agents have, including rights under insurance purchased by the corporation.

Article 5 of the Company's Restated Code of Regulations contains extensive provisions related to indemnification of officers, directors, employees and agents. The Company is required to indemnify its directors against expenses, including attorney fees, judgments, fines and amounts paid in settlement of civil, criminal, administrative, and investigative proceedings, if the director acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the Company. When criminal proceedings are involved, indemnification is further conditioned upon the director having no reasonable cause to believe that the conduct was unlawful.

Entitlement of a director to indemnification shall be made by vote of the disinterested directors of the Company. If there are an insufficient number of such directors to constitute a quorum, the determination to indemnify directors shall be made by one of the following methods: (1) a written opinion of independent legal counsel, (2) vote by the shareholders, or (3) by the court in which the action, suit or proceeding was brought.

The Company may pay the expenses, including attorney fees of any director, as incurred, in advance of a final disposition of such action, suit or proceeding, upon receipt by the Company of an undertaking by the affected director(s) in which he/she/they agree(s) to cooperate with the Company concerning the action, suit or proceeding, and agree(s) to repay the Company in the event that a court determines that the director's action, or failure to act, involved an act, or omission, undertaken with reckless disregard for the best interests of the Company.

The indemnification provisions of the Articles of Incorporation relating to officers, employees and agents of the Company are similar to those relating to directors, but are not mandatory in nature. On a case-by-case basis, the Company may elect to indemnify them, and may elect to pay their expenses, including attorney fees, in advance of a final disposition of the action, suit or proceeding, upon the same conditions and subject to legal standards as relate to directors. These indemnification provisions are also applicable to actions brought against directors, officers, employees and agents in the right of the Company. However, no indemnification shall be made to any person adjudged to be liable for negligence or misconduct in the performance of his duty to the Company unless, and only to the extent that a court determines, that despite the adjudication of liability, but in view of all of the circumstances of the case, shall deem proper. The Company currently carries directors and officers insurance in the amount of three million dollars.

The above discussion of the Company's Restated Code of Regulations and of Section 1701.13(E) of the Ohio Revised Code is not intended to be exhaustive and is respectively qualified in its entirety by such documents and statutes.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers and controlling persons of the Company issued pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

REPORT OF AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the plan of the annual audit. The Audit Committee reviews, in consultation with the independent auditors, the report of audit, or proposed report of audit and the accompanying management letter, if any. In addition, the Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the adequacy of the internal accounting controls.

In fulfilling its responsibilities, the Audit Committee selected GBQ Partners, LLC ("GBQ") as our independent accountants for purposes of auditing our financial statements for 2018. The Committee reviewed with the independent auditor, which is responsible for expressing an opinion on the conformity of those audited financial statements with US generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), including PCAOB Auditing Standard No. 16, *Communications With Audit Committees*, the rules of the Securities and Exchange Commission, and other applicable regulations. In addition, the Committee has discussed with the independent auditor the firm's independence from Company management and the Company, including the matters in the letter from the firm required by PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, and considered the compatibility of non-audit services with the independent auditor's independence.

Based on the reviews and discussions with management and GBQ, the Audit Committee recommended to the Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2018, filed with the Securities and Exchange Commission.

The Board of Directors evaluated the independence of each member of the Audit Committee. As part of its evaluation, the Board of Directors determined, in the exercise of its business judgment, that Mr. Gilliam, Dr. Ungar and Dr. Wickersham are independent under Rule 4350(d) of the Nasdaq Stock Market, and each is financially literate each in his own capacity.

Based upon its work and the information received in the inquiries outlined above, the Audit Committee is satisfied that its responsibilities for the period ended December 31, 2018, were met and that our financial reporting and audit processes are functioning effectively.

Executive Compensation

The primary objective of our executive compensation program is to attract and retain executives with the talent and skill to create long term value for our stockholders. The compensation program for our executives was developed by our compensation committee with those goals in mind. In furtherance of those goals our compensation program for executives is comprised of base salary, cash bonuses and equity based awards, and other benefits.

We pay base salaries to attract and retain key executives with the necessary experience and skill to contribute to our future growth and success. The base salary for each executive reflects that person’s responsibility level, tenure with the Company, individual performance and business experience.

We also pay cash bonuses based on the overall financial performance of the Company, the ability of the Company to achieve non-financial goals, and the ability of each executive to achieve the individual goals established.

We also believe that meaningful equity ownership is important to align the interests of our executives with those of our stockholders and to provide incentives for our executives to create long-term value for our stockholders. These values are aligned because as the value of our stock increases, the value of the equity awards granted to our executives increase accordingly. As a result, our executives are awarded stock awards and stock options based upon their levels of responsibility, tenure with the Company and the establishment of long-term goals.

Finally, we provide non-equity incentive compensation based on the achievement of stated goals as well as a 401(k) and other benefit plans.

The Compensation Committee values shareholders’ input on the design of our executive compensation program and appreciate feedback as an important part of our process. As such, we invite open communication with the investment community.

At our 2016 Annual Meeting of Shareholders, held on June 19, 2016, we received approximately 98% of the votes cast in support of our compensation structure.

The first vote on our executive compensation programs was in 2013 and we believe that they are structured appropriately to balance our pay-for-performance philosophy with a critical need to attract and retain the caliber of executives who will continue to deliver industry-leading operational excellence and best position the Company for future success. Based on the 98% approval in 2016 we believe that our investors share our views however, we will re-evaluate following the vote in 2019.

The following summary compensation table sets forth information regarding compensation earned during the last two years by our Principal Executive Officer, our Principal Financial Officer and our other officer.

Stock Options

At our 2011 Annual Meeting, our shareholders approved our 2011 Stock Incentive Plan (the "2011 Plan"). At our 2006 Annual Meeting, our shareholders approved our 2006 Stock Incentive Plan (the "2006 Plan"). The purpose of each Plan was to further the growth and profitability of the Company by providing increased incentives and encourage share ownership on the part of key employees, officers, directors, consultants and advisors who render services to the Company and any future parent or subsidiary of the Company. Each Plan permits the granting of stock options and restricted stock awards (collectively "Awards") to eligible participants. The maximum number of shares of common stock which may be issued pursuant to the 2011 Plan is 250,000 shares. The maximum number of shares of common stock which may be issued pursuant to the 2006 Plan is 600,000 shares. If an Award expires or is cancelled without having been fully exercised or vested, the unvested or cancelled shares will be available again for grants of Awards. Each Plan is administered by the Company's Stock Option and Compensation Committee (the "Committee"). All the members of the Committee qualify as "non-employee directors" under Rule 16b-3 of the Securities Exchange Act of 1934 and as "outside directors" under Section 162(m) of the Internal Revenue Code (the "Code"). Pursuant to each Plan, the Committee has the sole discretion to determine the employees, directors and consultants who may be granted Awards, the

terms and conditions of such Awards and to construe and interpret the Plans. The Committee is also responsible for making adjustments in outstanding Awards, the shares available for Awards, and the numerical limitations for Awards to reflect any transaction such as a stock split or stock dividend. The Committee may delegate its authority to one or more directors or officers; provided, however, that the Committee may not delegate its authority and powers (a) with respect to any Section 16b-3 Persons, or (b) in any way which would jeopardize the Plan's qualifications under Section 162(n) of the Code or Rule 16b-3. The Board of Directors may amend or terminate either Plan at any time and for any reason. To the extent required under Rule 16b-3 material amendments to the Plans must be approved by the shareholders.

Eligibility to participate in either Plan extends to management, key employees, directors and consultants of the Company. The estimated number of eligible participants is approximately 30 persons. The actual number of individuals who may receive options of restrictive stock awards under the Plans cannot be determined because eligibility for participation is at the discretion of the Committee.

ADVISORY (NON-BINDING) VOTE APPROVING EXECUTIVE COMPENSATION

The Company seeks your advisory vote on our executive compensation programs. This vote is required by Section 14A of the Securities Act of 1934. The Company asks that you support the compensation of our named executive officers as disclosed in the accompanying tables contained in this Proxy Statement. Because your vote is advisory, it will not be binding on the Compensation Committee, the Board of Directors, or the Company. However, the Compensation Committee and the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

The Company has incentive plans that we use to motivate, retain, and reward our executives. Those incentive plans include the Annual Incentive Performance Plan, Long-Term Incentive Performance Plan, Stock Option Plan, and Restricted Stock Plan.

We believe that our executive compensation programs are structured in the best manner possible to support our Company and our business objectives, as well as to support our culture and traditions that have been around for over 30 years.

- Our compensation programs are tied into our key business objectives.
- We maintain a high level of corporate governance over our executive pay programs.
- We closely monitor the compensation programs and pay levels of executives from companies of similar size and complexity, so that we may ensure that our compensation programs are within the norm of a range of market practices.
- Our Compensation Committee, our Board of Directors and Chief Executive Officer engage in a rigorous talent review process annually to address succession and executive development for our CEO and other key executives.

The Company asks that you review in detail the disclosure contained in this Proxy Statement regarding compensation of the Company's Named Executive Officers and indicate your support for the compensation of the Company's Named Executive Officers that are described in this Proxy Statement by voting in favor of the following resolution:

- "Resolved, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission as disclosed in this Proxy Statement, is hereby Approved." Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to any Named Executive Officer and will not be binding on or overrule any decisions by the Board of Directors. The Compensation Committee will take into account the outcome of the vote when considering future compensation for our Named Executive Officers.

The Board of Directors recommends a vote "FOR" the Company's compensation of our named executive officers as disclosed in the accompanying compensation tables contained in this proxy statement.

ADVISORY (NON-BINDING) VOTE ON THE FREQUENCY OF SHAREHOLDER VOTES ON EXECUTIVE COMPENSATION

The Company would also like to seek your input with regard to the frequency of future shareholder advisory votes on our executive compensation programs. This vote is required by Section 14A of the Securities Act of 1934. In particular, we are asking whether the advisory vote should occur every three years, every two years or every year. The Company asks that you support a frequency period of every three years (a triennial vote) for future non-binding shareholder votes on compensation of our named executive officers.

A shareholder advisory vote on executive compensation is very important to the Company. We appreciate the past approval of our stock option and incentive plans by our shareholders. This has served both our Company and our shareholders well, ensuring a direct alignment between executive compensation and financial performance results. Setting a three year period for holding this shareholder vote will enhance shareholder communication by providing a clear, simple means for the Company to obtain information on investor sentiment about our executive compensation philosophy. An advisory vote every three years will be the most effective timeframe for the Company to respond to shareholders' feedback and provide the Company with sufficient time to engage with shareholders to understand and respond to the vote results.

The Board of Directors recommends a vote for a frequency of “THREE YEARS” for future non-binding shareholder votes on compensation votes on compensation of our named executive officers.

REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors (the “Audit Committee”) of SCI Engineered Materials, Inc. selected GBQ Partners LLC (“GBQ”) to perform the 2018 audit for SCI Engineered Materials, Inc. and to serve as our registered independent public accounting firm for 2019. A representative of GBQ is expected to attend the Annual Meeting of Shareholders in order to respond to appropriate questions from shareholders, and will have the opportunity to make a statement.

FEES OF THE REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDED DECEMBER 31, 2018 AND 2017

Audit Fees

The aggregate fees billed by GBQ for professional services rendered for the audit of our annual financial statements and review of financial statements included in our Form 10-Q were \$55,000 for 2018 and 2017.

Tax Fees

The aggregate fees billed for professional services rendered for tax compliance and consulting was approximately \$1,100 for 2018 and 2017.

All Other Fees

The total fees billed by GBQ for services related to the accounting treatment of transactions and events as well as additional procedures related to accounting records performed to comply with regulatory reporting requirements were \$1,000 for 2017.

Pre-Approval Policy

The Audit Committee is required to pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for us by our independent auditor or other registered public accounting firm, subject to the *de minimis* exceptions for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934 that are approved by the Audit Committee prior to completion of the audit.

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed GBQ Partners LLC (“GBQ”) an independent registered public accounting firm, as our independent auditors for the fiscal year ending December 31, 2019, and has further directed that management submit the selection of independent auditors for ratification by the shareholders at the 2019 Annual Meeting of Shareholders. GBQ has audited our financial statements since the fiscal year ended December 31, 2014. The Audit Committee believes that GBQ’s experience with us and knowledge of us is important, and would like to continue this relationship.

GBQ has advised us that the firm does not have any direct or indirect financial interest in us, nor has GBQ had any such interest since the inception of our Company in 1987, other than as a provider of auditing and accounting services. In making the selection of GBQ to continue as our independent registered public accounting firm for the year ending December 31, 2019, the Audit Committee reviewed past audit results and past non-audit services performed and any which are proposed to be performed during fiscal year 2019. In selecting GBQ, the Audit Committee carefully considered GBQ’s independence. GBQ confirmed to us that it is in compliance with all rules, standards and policies of the Independence Standards Board and the SEC governing auditor independence.

Neither our Code of Regulations nor other governing documents require shareholder ratification of the selection of GBQ as the Company's independent auditors. However, we are submitting the selection of GBQ to the shareholders for ratification as a matter of good corporate practice. If our shareholders fail to ratify this selection, the Audit Committee will reconsider whether or not to continue to retain GBQ, but may still retain them. Even if this selection is ratified, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the 2019 Annual Meeting will be required to ratify the selection of GBQ. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the shareholders and will have the same effect as negative votes. Broker non-votes are counted toward a quorum, but are not counted for any purpose in determining whether this matter has been approved.

The Board of Directors recommends that our shareholders vote "FOR" the ratification of the independent registered public accounting firm.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors and greater than 10% shareholders to file reports of ownership and changes in ownership of our securities with the Securities and Exchange Commission ("SEC"). Copies of the reports are required by SEC regulation to be furnished to us. Based on our review of such reports, and written representations from reporting persons, we believe that all reporting persons complied with all filing requirements during the year ended December 31, 2018.

We are delivering this Proxy Statement and an annual report to all shareholders of record as of the record date. Shareholders residing in the same household who hold their shares in the name of a bank, broker or other holder of record may receive only one Proxy Statement and annual report if previously notified by their bank, broker or other holder. This process, by which only one proxy statement and annual report, as the case may be, is delivered to multiple security holders sharing an address, unless contrary instructions are received from one or more of the security holders, is called "householding." Householding may provide convenience for shareholders and cost savings for companies. Once begun, householding may continue unless instructions to the contrary are received from one or more of the shareholders within the household.

Street name shareholders in a single household who received only one copy of the Proxy Statement or annual report may request to receive separate copies in the future by following the instructions provided on the voting instruction form sent to them by their bank, broker or other holder of record. Similarly, street name shareholders who are receiving multiple copies may request that only a single set of materials be sent to them in the future by checking the appropriate box on the voting instruction form.

If you are a registered shareholder receiving multiple copies of this Proxy Statement, you also may request orally or in writing to receive a single copy of this Proxy Statement by calling 1-614-486-0261, or writing to SCI Engineered Materials at 2839 Charter Street, Columbus, Ohio 43228.
