NOTICE OF ANNUAL MEETING OF SHAREHOLDERS TO BE HELD JUNE 4, 2020

April 23, 2020

To Our Shareholders:

The Annual Meeting of Shareholders of SCI Engineered Materials, Inc. (the “Company”) will be held at our offices located at 2839 Charter Street, Columbus, Ohio 43228, on June 4, 2020, at 9:30 a.m. local time, for the following purposes:

1. To elect six directors of the Company, each to serve for terms expiring at the next Annual Meeting of Shareholders;
2. To ratify the selection of the independent registered public accounting firm for the year ending December 31, 2020; and
3. To transact any other business which may properly come before the meeting or any adjournment thereof.

We intend to hold our Annual Meeting in person. However, we are actively monitoring the public health and travel concerns of our stockholders and employees in light of COVID-19 (Coronavirus), as well as the related protocols that federal, state and local governments may impose. As part of our precautions, we are considering the possibility of holding a virtual meeting by means of remote communication, moving the meeting to an alternate location, or postponing the meeting. We will announce any alternative arrangements for the annual meeting as promptly as practicable. Further details on such alternative arrangements and how to participate will be issued by press release, posted on our website at <https://sciengineeredmaterials.com> under “Investor Relations” (and also on our annual meeting website at www.sciengineeredmaterials-proxy.com) and filed with the U.S. Securities and Exchange Commission (the “SEC”) as additional proxy material. Please monitor these websites and filings with the SEC for updated information. In the event we hold a virtual meeting, in order to attend you will be required to register in advance at www.sciengineeredmaterials-proxy.com prior to the deadline of May 31, 2020 at 5:00 P.M. Eastern Daylight Time. Upon completing your registration, you will receive further instructions via email, including your unique link that will allow you access to the meeting. As always, we encourage you to vote your shares prior to the annual meeting. **Please note you will only be able to participate in the meeting using remote communications if we decide to hold a virtual meeting by means of remote communication, instead of holding an in-person Annual Meeting.**

We are pleased to take advantage of the rules of the SEC that allow issuers to furnish proxy materials to their stockholders on the Internet. We believe these rules allow us to provide you with information you need while lowering the costs of delivery and reducing the environmental impact of the Annual Meeting. We are mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials, rather than a paper copy of the proxy statement and our Form 10-K Annual Report for the year ended December 31, 2019. The notice contains instructions on how to access the proxy materials, vote and obtain, if you so desire, a paper copy of the proxy materials.

Our Board of Directors has fixed April 14, 2020, as the record date for the determination of shareholders entitled to notice and to vote at the annual meeting and any adjournment thereof. A list of shareholders will be available for examination by any shareholder at the annual meeting and for a period of 10 days before the annual meeting at our executive offices.

You will be most welcome at the annual meeting and we hope you can attend.

We urge you to execute and return the enclosed proxy as soon as possible so that your shares may be voted in accordance with your wishes. If your shares are held in an account at a brokerage firm or bank, you must instruct them on how to vote your shares. If your broker does not receive any instructions from you, the broker, as the holder of record, is permitted to vote on “routine” matters. Your broker will not have discretion to vote on any of the other matters, which are “non-routine” matters, without direction from you. **Election of Directors is no longer a “routine” matter and your broker may not vote on this matter without instructions from you.**

If you attend the annual meeting, you may cast your vote in person and your proxy will not be used. We will provide you with a ballot at the Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. If you wish to vote such shares at the Meeting, you will need to bring a legal proxy from your broker or other nominee authorizing you to vote such shares.

By Order of the Board of Directors,
s/s Jeremiah R. Young

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

June 4, 2020

GENERAL INFORMATION

This proxy statement is furnished to the shareholders of SCI Engineered Materials, Inc., an Ohio corporation (the “Company” or “SCI”), in connection with the solicitation of proxies to be used in voting at the Annual Meeting of Shareholders to be held at our executive offices located at 2839 Charter Street, Columbus, Ohio 43228 on June 4, 2020 at 9:30 a.m., and at any adjournment or postponement thereof (the “Annual Meeting”). The enclosed proxy is being solicited by our Board of Directors. This proxy statement and the enclosed proxy will be sent or given to our shareholders approximately April 23, 2020.

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, fax, or personal interview.

Voting Procedures

The shares represented by the accompanying proxy will be voted as directed if the proxy is properly signed and received by us prior to the Annual Meeting. If no directions are made to the contrary, the proxy will be voted **FOR** the election of John P. Gilliam, Emily Lu, Laura F. Shunk, Edward W. Ungar, Charles Wickersham, and Jeremiah R. Young as directors of the Company, to **RATIFY** the independent registered public accounting firm and to transact such other business as may properly come before the meeting or any adjournment thereof. Any shareholder voting the accompanying proxy has the power to revoke it at any time before its exercise by giving notice of revocation to us, by duly executing and delivering to us a proxy card bearing a later date, or by voting in person at the annual meeting. You may vote by mail or in person at the meeting. The officers, directors, and nominees for directors of the Company are the beneficial owners of 18.5% of the Company’s issued and outstanding shares as of the record date. The officers, directors and nominees for directors of the Company have indicated that they will vote in favor of each nominee for director and to ratify the independent registered public accounting firm.

Voting by Mail

By signing and returning the proxy card in the enclosed prepaid and addressed envelope, you are authorizing the individuals named on the proxy card (known as “proxies”) to vote your shares at the Meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the Meeting. In this way, your shares will be voted if you are unable to attend the Meeting. If you receive more than one proxy card, it is an indication that your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted.

Voting in Person at the Meeting

If you plan to attend the Meeting and vote in person, we will provide you with a ballot at the Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. If you wish to vote such shares at the Meeting, you will need to bring a legal proxy from your broker or other nominee authorizing you to vote such shares.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the Meeting. In order to do this, you must:

- Enter a new vote by signing and returning another proxy card bearing a later date;
- Provide written notice of the revocation to SCI Engineered Materials, Inc. Secretary; or
- Attend the Meeting and vote in person

Quorum Requirements

The presence, in person or by proxy, of a majority of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

Broker Non-Votes

Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters. If your broker holds your shares in its name and you do not instruct your broker how to vote, your broker will nevertheless have discretion to vote your shares only on "routine" matters. Your broker will not have discretion to vote on any of the other matters, which are "non-routine" matters, absent direction from you. **Election of Directors is a "non-routine" matter and your broker may not vote on this matter.** Accordingly, shares subject to a broker "non-vote" will not be considered entitled to vote with respect to the election of directors and will not be counted toward establishing a quorum.

Votes Required

The election of the director nominees and the ratification of the independent registered public accounting firm for the year ending December 31, 2020, requires the favorable vote of a plurality of all votes cast by the holders of our common stock at a meeting at which a quorum is present. Proxies that are marked "Withhold Authority" and broker non-votes will not be counted toward such nominee's achievement of a plurality and thus will have no effect.

Each other matter to be submitted to the shareholders for approval or ratification at the Annual Meeting requires the affirmative vote of the holders of a majority of our common stock present and entitled to vote on the matter. For purposes of determining the number of shares of our common stock voting on the matter, abstentions will be counted and will have the effect of a negative vote; broker non-votes will not be counted and thus will have no effect.

No Dissenters' Rights

The proposals described in this Proxy Statement will not afford shareholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

ELECTION OF DIRECTORS

Only holders of record of our common stock at the close of business on April 14, 2020 will be entitled to vote at the Annual Meeting. At that time, we had 4,396,604 shares of common stock outstanding and entitled to vote. Each share of our common stock outstanding on the record date entitles the holder to one vote on each matter submitted at the Annual Meeting.

Our Restated Code of Regulations provides that the number of directors shall be fixed by the Board.

The nominees for director, if elected, will serve for one term expiring at the next Annual Meeting of Shareholders. John P. Gilliam, Emily Lu, Laura F. Shunk, Edward W. Ungar, Charles Wickersham, and Jeremiah R. Young currently serve as directors of the Company and are being nominated by the Board of Directors for reelection as directors.

It is intended that, unless otherwise directed, the shares represented by the enclosed proxy will be voted **FOR** the election of Messrs. Gilliam, Ungar, Wickersham and Young, and Mss. Lu and Shunk as directors. In the event that any nominee for director should become unavailable, the number of directors of the Company may be decreased pursuant to the Restated Code of Regulations or the Board of Directors may designate a substitute nominee, in which event the shares represented by the enclosed proxy will be voted for such substitute nominee.

The Board of Directors recommends that the shareholders vote FOR the election of the nominees for director.

The following table sets forth each nominee’s name, age, and position with the Company:

Name	Age	Position
Laura F. Shunk	63	Chairperson of the Board of Directors

Presently, Ms. Shunk is a shareholder of Hudak, Shunk & Farine, Co. L.P.A. where she is employed. She has continued with her interest in guiding start-up ventures with respect to the development of intellectual property portfolios. Ms. Shunk acted as counsel to an Akron area orthopedic implant company that was able to complete its acquisition in its seventh year at a 5.5x sales multiplier in part as a result of its extensive multi-national patent and trademark portfolio which Laura helped create. INFORMATION CONCERNING THE BOARD OF DIRECTORS, EXECUTIVE OFFICERS, AND PRINCIPAL SHAREHOLDERS

Board Leadership and Structure

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with the highest standards of integrity and legal requirements. The Board has adopted and adheres to corporate governance practices which the Board and senior management believe promote our corporate purposes, are sound, and represent best practices. We continually review these governance practices to make sure we comply with state and federal laws.

Our Board of Directors oversees all business, property and affairs of the Company. Our officers keep the members of the Board informed of our business through discussions at Board meetings and by providing them with reports and other materials throughout the year.

Meetings and Compensation of the Board of Directors

Our Board of Directors had a total of seven meetings during the year ended December 31, 2019. All directors attended all meetings. Directors who are employed by the Company receive no compensation for serving as directors.

It is our policy that directors will attend all board meetings in addition to the meetings of the committees on which they serve. If a director cannot attend in person it is expected that the director attend by teleconference when possible. If a director is unable to attend in person or by teleconference, prior notice is expected to be provided.

As compensation for their service, non-employee directors may periodically receive cash, grants of stock or grants of stock options, with an exercise price equal to the fair market value of our common stock on the date of grant for up to a ten-year term. Directors are also reimbursed for all reasonable out-of-pocket expenses. In the year ended December 31, 2019, Ms. Shunk earned \$7,500 as chairperson of the Board of Directors. Mr. Gilliam earned \$5,000 as chairperson of the Audit Committee. Dr. Wickersham received \$3,500 as Chairperson of the Technical Committee and Dr. Ungar received \$2,500 as Chairperson of the Stock Option and Compensation Committee (the "Compensation Committee"). In addition, for their service on the board, each non-employee director received \$12,000 and 12,700 shares of our common stock.

It is our expectation that all nominees of the Board of Directors will attend the 2020 Annual Meeting of Shareholders. Five members of our Board of Directors were present at our 2019 Annual Meeting of Shareholders.

Shareholder Communication

Our Board of Directors welcomes communications from shareholders. Shareholders may send communications to the Board of Directors or to any director in particular, c/o Gerald S. Blaskie, SCI Engineered Materials, Inc., 2839 Charter Street, Columbus, Ohio 43228. Any correspondence addressed to the Board of Directors or to any one of our directors in care of our offices will be forwarded to the addressee without review by management.

We make our proxy solicitation materials on Schedule 14A, annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Exchange Act, available free of charge on our website at www.sciengineeredmaterials.com as soon as reasonably practicable after we electronically file such material with the SEC.

Board Leadership Structure

On April 26, 2019, the Board appointed Ms. Shunk to succeed Mr. Daniel Rooney as the Chairperson of the Board. Mr. Rooney retired from the Company in June 2019. We have no Lead Independent Director.

The Chairperson of the Board provides leadership to the Board and works with the Board to define its structure and activities in the fulfillment of its responsibilities. The Chairperson of the Board sets the Board agendas with Board and management input, facilitates communication among directors, and presides at meetings of the Board of Directors and shareholders.

Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the company. The involvement of the full Board of Directors in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company. Risk is assessed throughout the business, focusing on three primary areas of risk: financial risk, legal/compliance risk and operational/strategic risk.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, the committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual management letter from the Company's external auditors. The Audit Committee typically meets with the external auditors four times per year. In addition, in setting compensation, the Compensation Committee strives to create a combination of near term and longer incentives that encourage a level of risk-taking behavior consistent with the Company's business strategy.

Committees of the Board of Directors

We have an Audit Committee, a Stock Option and Compensation Committee, and a Technical Committee.

The Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the plan of the annual audit. The Audit Committee reviews, in consultation with the independent auditors, the report of audit, or proposed report of audit and the accompanying management letter, if any. In addition, the Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the adequacy of the internal accounting controls. The Chairperson of the Audit Committee is Mr. Gilliam, and the current members are Dr. Ungar and Dr. Wickersham. The Audit Committee met four times during 2019. The Board of Directors has determined that Mr. Gilliam and Dr. Ungar qualify as "audit committee financial experts" as that term is defined in Item 407 of Regulation S-K. Members meet the criteria for audit committee independence as defined in NASDAQ Rule 4350, and Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended.

The Stock Option and Compensation Committee ("Compensation Committee") reviews executive compensation and administers our stock incentive and incentive compensation performance plans. The Chairperson of the Compensation Committee is Dr. Ungar and the current member is Ms. Lu. The Compensation Committee met once during 2019.

The Technical Committee was formed to identify new markets and products. The chairperson of this Committee is Dr. Wickersham and the current member is Mr. Young. The Technical Committee met six times during 2019.

The Board of Directors has determined that it is not necessary to establish a nominating committee due to its limited size. Nominations for directors are considered by the entire Board of Directors. The directors take a critical role in guiding the strategic direction and oversee the management of the Company. Director candidates are considered based on various criteria, such as diversity in broad based business and professional skills and experiences, a global business and social perspective, concern for long term interests of shareholders, and personal integrity and judgment. In addition, directors must have available time to devote to Board activities and to enhance their knowledge of the industry. The Board seeks nominees with a broad diversity of experiences, professions, skills and backgrounds. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company. Recent developments in corporate governance and financial reporting have resulted in increased demand for such highly qualified and productive public company directors.

The Board of Directors will consider the recommendations of shareholders regarding potential director candidates. In order for shareholder recommendations regarding possible director candidates to be considered by the Board of Directors:

- such recommendations must be provided to the Board of Directors, c/o Gerald S. Blaskie, SCI Engineered Materials, Inc., 2839 Charter Street, Columbus, Ohio 43228, in writing no later than February 8, 2021;
- the nominating shareholder must meet the eligibility requirements to submit a valid shareholder proposal under Rule 14a-8 of the Securities Exchange Act of 1934, as amended; and
- the shareholder must describe the qualifications, attributes, skills or other qualities of the recommended director candidate.

Compensation Committee Interlocks and Insider Participation

None of our executive officers have served:

- as a member of the Compensation Committee of another entity which has had an executive officer who has served on our Compensation Committee;
- as a director of another entity which has had an executive officer who has served on our Compensation Committee; or
- as a member of the Compensation Committee of another entity which has had an executive officer who has served as one of our directors.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 1701.13(E) of the Ohio Revised Code gives a corporation incorporated under the laws of Ohio power to indemnify any person who is or has been a director, officer or employee of that corporation, or of another corporation at the request of that corporation, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by him/her in connection with any threatened, pending or completed action, suit or proceeding, criminal or civil, to which he/she is or may be made a party because of being or having been such director, officer, employee or agent, provided that in connection therewith, such person is determined to have acted in good faith in what he/she reasonably believed to be in or not opposed to the best interest of the corporation of which he/she is a director, officer, employee or agent and without reasonable cause, in the case of a criminal matter, to believe that his/her conduct was unlawful. The determination as to the conditions precedent to the permitted indemnification of such person is made by the directors of the indemnifying corporation acting at a meeting at which, for the purpose, any director who is a party to or threatened with any such action, suit or proceeding may not be counted in determining the existence of a quorum and may not vote. If, because of the foregoing limitations, the directors are unable to act in this regard, such determination may be made by the majority vote for the corporation's voting shareholders (or without a meeting upon two-thirds written consent of such shareholders), by judicial proceeding or by written opinion of legal counsel not retained by the corporation or any person to be indemnified during the five years preceding the date of determination.

Section 1701.13(E) of the Ohio Revised Code further provides that the indemnification thereby permitted shall not be exclusive of, and shall be in addition to, any other rights that directors, officers, employees or agents have, including rights under insurance purchased by the corporation.

Article 5 of the Company's Restated Code of Regulations contains extensive provisions related to indemnification of officers, directors, employees and agents. The Company is required to indemnify its directors against expenses, including attorney fees, judgments, fines and amounts paid in settlement of civil, criminal, administrative, and investigative proceedings, if the director acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the Company. When criminal proceedings are involved, indemnification is further conditioned upon the director having no reasonable cause to believe that the conduct was unlawful.

Entitlement of a director to indemnification shall be made by vote of the disinterested directors of the Company. If there are an insufficient number of such directors to constitute a quorum, the determination to indemnify directors shall be made by one of the following methods: (1) a written opinion of independent legal counsel, (2) vote by the shareholders, or (3) by the court in which the action, suit or proceeding was brought.

The Company may pay the expenses, including attorney fees of any director, as incurred, in advance of a final disposition of such action, suit or proceeding, upon receipt by the Company of an undertaking by the affected director(s) in which he/she/they agree(s) to cooperate with the Company concerning the action, suit or proceeding, and agree(s) to repay the Company in the event that a court determines that the director's action, or failure to act, involved an act, or omission, undertaken with reckless disregard for the best interests of the Company.

The indemnification provisions of the Articles of Incorporation relating to officers, employees and agents of the Company are similar to those relating to directors, but are not mandatory in nature. On a case-by-case basis, the Company may elect to indemnify them, and may elect to pay their expenses, including attorney fees, in advance of a final disposition of the action, suit or proceeding, upon the same conditions and subject to legal standards as relate to directors. These indemnification provisions are also applicable to actions brought against directors, officers, employees and agents in the right of the Company. However, no indemnification shall be made to any person adjudged to be liable for negligence or misconduct in the performance of his duty to the Company unless, and only to the extent that a court determines, that despite the adjudication of liability, but in view of all of the circumstances of the case, shall deem proper. The Company currently carries directors and officer's insurance in the amount of three million dollars.

The above discussion of the Company's Restated Code of Regulations and of Section 1701.13(E) of the Ohio Revised Code is not intended to be exhaustive and is respectively qualified in its entirety by such documents and statutes.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers and controlling persons of the Company issued pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

REPORT OF AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the plan of the annual audit. The Audit Committee reviews, in consultation with the independent auditors, the report of audit, or proposed report of audit and the accompanying management letter, if any. In addition, the Audit Committee consults with our Chief Financial Officer, other key members of our management and with our independent auditors with regard to the adequacy of the internal accounting controls.

In fulfilling its responsibilities, the Audit Committee selected GBQ Partners, LLC ("GBQ") as our independent accountants for purposes of auditing our financial statements for 2019. The Committee reviewed with the independent auditor, which is responsible for expressing an opinion on the conformity of those audited financial statements with US generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), including PCAOB Auditing Standard No. 16, *Communications With Audit Committees*, the rules of the Securities and Exchange Commission, and other applicable regulations. In addition, the Committee has discussed with the independent auditor the firm's independence from Company management and the Company, including the matters in the letter from the firm required by PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, and considered the compatibility of non-audit services with the independent auditor's independence.

Based on the reviews and discussions with management and GBQ, the Audit Committee recommended to the Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2019, filed with the Securities and Exchange Commission.

The Board of Directors evaluated the independence of each member of the Audit Committee. As part of its evaluation, the Board of Directors determined, in the exercise of its business judgment, that Mr. Gilliam, Dr. Ungar and Dr. Wickersham are independent under Rule 4350(d) of the Nasdaq Stock Market, and each is financially literate each in his own capacity. Based upon its work and the information received in the inquiries outlined above, the Audit Committee is satisfied that its responsibilities for the period ended December 31, 2019, were met and that our financial reporting and audit processes are functioning effectively.

of the Board of Directors:
John P. Gilliam (Chairperson)

Executive Compensation

The primary objective of our executive compensation program is to attract and retain executives with the talent and skill to create long term value for our stockholders. The compensation program for our executives was developed by our compensation committee with those goals in mind. In furtherance of those goals our compensation program for executives is comprised of base salary, cash bonuses and equity-based awards, and other benefits.

We pay base salaries to attract and retain key executives with the necessary experience and skill to contribute to our future growth and success. The base salary for each executive reflects that person’s responsibility level, tenure with the Company, individual performance and business experience.

We also pay cash bonuses based on the overall financial performance of the Company, the ability of the Company to achieve non-financial goals, and the ability of each executive to achieve the individual goals established.

We also believe that meaningful equity ownership is important to align the interests of our executives with those of our stockholders and to provide incentives for our executives to create long-term value for our stockholders. These values are aligned because as the value of our stock increases, the value of the equity awards granted to our executives increase accordingly. As a result, our executives are awarded stock awards and stock options based upon their levels of responsibility, tenure with the Company and the establishment of long-term goals.

Finally, we provide non-equity incentive compensation based on the achievement of stated goals as well as a 401(k) and Profit Sharing Plan, and other benefit plans.

The Compensation Committee values shareholders' input on the design of our executive compensation program and appreciate feedback as an important part of our process. As such, we invite open communication with the investment community.

At our 2019 Annual Meeting of Shareholders, held on June 5, 2019, we received approximately 97% of the votes cast in support of our compensation structure.

The first vote on our executive compensation programs was in 2013 and we believe that they are structured appropriately to balance our pay-for-performance philosophy with a critical need to attract and retain the caliber of executives who will continue to deliver industry-leading operational excellence and best position the Company for future success. Based on the 97% approval in 2019 we believe that our investors share our views, however, we will re-evaluate following the vote in 2022.

The following summary compensation table sets forth information regarding compensation earned during the last two years by our Principal Executive Officers, our Principal Financial Officer and our other officer.

Salaries

The salaries of the Named Executive Officers are reviewed on an annual basis. Changes in salary are based on an evaluation of the Company’s and the individual’s performance as well as the level of pay compared to general industry peer group pay levels. The Compensation Committee of the Board of Directors reviews salaries periodically and recommends merit increases to the Board of Directors as the Committee deems appropriate.

Executive Annual Incentive Plan

Mr. Young received \$13,001 for attaining and exceeding gross profit goals, and \$22,387 which was 5.0% of adjusted net income as incentive compensation awards for services during 2019. Adjusted net income is defined as actual net income as it appears on the Company’s audited financial statements plus expenses related to non-cash compensation and certain capital raising expenses.

Mr. Rooney received \$808 for attaining and exceeding gross profit goals during 2019.

Mr. Blaskie received \$2,000 for the Company meeting specified on-time delivery goals, and \$11,194 which was 2.5% of adjusted net income as incentive compensation awards for services during 2019.

Employment Agreement for Principal Executive Officer

The Principal Executive Officer, Mr. Jeremiah R. Young, elected Chief Executive Officer June 5, 2019, has an employment contract that entitles him to 100% of his compensation for 90 days following his termination other than for fraud or serious misconduct. Mr. Young also received a loan from the Company in the amount of \$14,952 in February 2019 to enable him to exercise some of his stock options. Per a Promissory Note signed by Mr. Young, this loan was to be repaid in two installments. The first installment of \$7,475 was repaid in February 2019 and the second installment of \$7,477 was repaid in December 2019 prior to the due date of January 1, 2020.

Mr. Daniel Rooney, the Company's previous Principal Executive Officer, had an employment contract that entitled him to 100% of his compensation for six months following his termination other than for fraud or serious misconduct. Under the agreement, following the initial six-month period after his termination, Mr. Rooney was entitled to receive six months of pay at a rate of 50% of his compensation at the time of his termination. Mr. Rooney retired in June 2019 and thus the severance payments in his employment agreement were not applicable.

Stock Options

At our 2011 Annual Meeting, our shareholders approved our 2011 Stock Incentive Plan (the "2011 Plan"). At our 2006 Annual Meeting, our shareholders approved our 2006 Stock Incentive Plan (the "2006 Plan"). The purpose of each Plan was to further the growth and profitability of the Company by providing increased incentives and encourage share ownership on the part of key employees, officers, directors, consultants and advisors who render services to the Company and any future parent or subsidiary of the Company. Each Plan permits the granting of stock options and restricted stock awards (collectively "Awards") to eligible participants. The maximum number of shares of common stock which may be issued pursuant to the 2011 Plan is 250,000 shares. If an Award expires or is cancelled without having been fully exercised or vested, the unvested or cancelled shares will be available again for grants of Awards. The 2006 Plan expired in 2016 and no additional stock options may be granted. Each Plan is administered by the Company's Stock Option and Compensation Committee (the "Committee"). All the members of the Committee qualify as "non-employee directors" under Rule 16b-3 of the Securities Exchange Act of 1934 and as "outside directors" under Section 162(m) of the Internal Revenue Code (the "Code"). Pursuant to each Plan, the Committee has the sole discretion to determine the employees, directors and consultants who may be granted Awards, the terms and conditions of such Awards and to construe and interpret the Plans. The Committee is also responsible for making adjustments in outstanding Awards, the shares available for Awards, and the numerical limitations for Awards to reflect any transaction such as a stock split or stock dividend. The Committee may delegate its authority to one or more directors or officers; provided, however, that the Committee may not delegate its authority and powers (a) with respect to any Section 16b-3 Persons, or (b) in any way which would jeopardize the Plan's qualifications under Section 162(n) of the Code or Rule 16b-3. The Board of Directors may amend or terminate either Plan at any time and for any reason. To the extent required under Rule 16b-3 material amendments to the Plans must be approved by the shareholders.

Eligibility to participate in either Plan extends to management, key employees, directors and consultants of the Company. The estimated number of eligible participants is approximately 30 persons. The actual number of individuals who may receive options of restrictive stock awards under the Plans cannot be determined because eligibility for participation is at the discretion of the Committee.

REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors (the "Audit Committee") of SCI Engineered Materials, Inc. selected GBQ Partners LLC ("GBQ") to perform the 2019 audit for SCI Engineered Materials, Inc. and to serve as our registered independent public accounting firm for 2020. A representative of GBQ is expected to attend the Annual Meeting of Shareholders in order to respond to appropriate questions from shareholders, and will have the opportunity to make a statement.

**FEES OF THE REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM
FOR THE YEAR ENDED DECEMBER 31, 2019 AND 2018**

Audit Fees

The aggregate fees billed by GBQ for professional services rendered for the audit of our annual financial statements and review of financial statements included in our Form 10-Q were \$55,000 for 2019 and 2018.

Tax Fees

The aggregate fees billed for professional services rendered for tax compliance and consulting was approximately \$1,200 for 2019 and \$1,100 for 2018.

Pre-Approval Policy

The Audit Committee is required to pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for us by our independent auditor or other registered public accounting firm, subject to the *de minimis* exceptions for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934 that are approved by the Audit Committee prior to completion of the audit.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

Our Audit Committee has appointed GBQ Partners LLC (“GBQ”), an independent registered public accounting firm, as our independent auditors for the fiscal year ending December 31, 2020, and has further directed that management submit the selection of independent auditors for ratification by the shareholders at the 2020 Annual Meeting of Shareholders. GBQ has audited our financial statements since the fiscal year ended December 31, 2014. The Audit Committee believes that GBQ’s experience with us and knowledge of us is important, and would like to continue this relationship.

GBQ has advised us that the firm does not have any direct or indirect financial interest in us, nor has GBQ had any such interest since the inception of our Company in 1987, other than as a provider of auditing and accounting services. In making the selection of GBQ to continue as our independent registered public accounting firm for the year ending December 31, 2020, the Audit Committee reviewed past audit results and past non-audit services performed and any which are proposed to be performed during fiscal year 2020. In selecting GBQ, the Audit Committee carefully considered GBQ’s independence. GBQ confirmed to us that it is in compliance with all rules, standards and policies of the Independence Standards Board and the SEC governing auditor independence.

Neither our Code of Regulations nor other governing documents require shareholder ratification of the selection of GBQ as the Company’s independent auditors. However, we are submitting the selection of GBQ to the shareholders for ratification as a matter of good corporate practice. If our shareholders fail to ratify this selection, the Audit Committee will reconsider whether or not to continue to retain GBQ, but may still retain them. Even if this selection is ratified, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the 2020 Annual Meeting will be required to ratify the selection of GBQ. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the shareholders and will have the same effect as negative votes. Broker non-votes are counted toward a quorum, but are not counted for any purpose in determining whether this matter has been approved.

The Board of Directors recommends that our shareholders vote “FOR” the ratification of the independent registered public accounting firm.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors and greater than 10% shareholders to file reports of ownership and changes in ownership of our securities with the Securities and Exchange Commission (“SEC”). Copies of the reports are required by SEC regulation to be furnished to us. Based on our review of such reports, and written representations from reporting persons, we believe that all reporting persons complied with all filing requirements during the year ended December 31, 2019.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Mr. Jeremiah R. Young was elected Chief Executive Officer and Director on June 5, 2019. Mr. John Gilliam, Director, is Mr. Young’s father-in-law. Laura F. Shunk is a shareholder at the law firm of Hudak, Shunk & Farine, Co LPA, which represents the company with respect to certain Intellectual Property Law matters.

SHAREHOLDER PROPOSALS FOR 2021 ANNUAL MEETING

Each year our Board of Directors submits its nominations for election of directors at the annual meeting of shareholders. Other proposals may be submitted by the Board of Directors or the shareholders for inclusion in the proxy statement for action at the annual meeting. Any proposal submitted by a shareholder for inclusion in the proxy statement for the annual meeting of shareholders to be held in 2021 must be received by us (addressed to the attention of the Secretary) on or before December 31, 2020. Any shareholder proposal submitted outside the processes of Rule 14a-8 under the Securities Exchange Act of 1934 for presentation at our 2021 annual meeting will be considered untimely for purposes of Rule 14a-4 and 14a-5 if notice thereof is received by us after March 15, 2021. Any such proposal to be submitted at the meeting must be a proper subject for shareholder action under the laws of the State of Ohio.

DELIVERY OF DOCUMENTS TO SECURITY HOLDERS SHARING AN ADDRESS

We are delivering this Proxy Statement and an annual report to all shareholders of record as of the record date. Shareholders residing in the same household who hold their shares in the name of a bank, broker or other holder of record may receive only one Proxy Statement and annual report if previously notified by their bank, broker or other holder. This process, by which only one proxy statement and annual report, as the case may be, is delivered to multiple security holders sharing an address, unless contrary instructions are received from one or more of the security holders, is called “householding.” Householding may provide convenience for shareholders and cost savings for companies. Once begun, householding may continue unless instructions to the contrary are received from one or more of the shareholders within the household.

Street name shareholders in a single household who received only one copy of the Proxy Statement or annual report may request to receive separate copies in the future by following the instructions provided on the voting instruction form sent to them by their bank, broker or other holder of record. Similarly, street name shareholders who are receiving multiple copies may request that only a single set of materials be sent to them in the future by checking the appropriate box on the voting instruction form.

If you are a registered shareholder receiving multiple copies of this Proxy Statement, you also may request orally or in writing to receive a single copy of this Proxy Statement by calling 1-614-486-0261, or writing to SCI Engineered Materials, Inc. at 2839 Charter Street, Columbus, Ohio 43228.

ANNUAL REPORT

Our annual report on Form 10-K for the year ended December 31, 2019, containing financial statements for 2019 and the signed opinion of GBQ Partners LLC, registered independent public accounting firm, with respect to such financial statements, is being sent to shareholders concurrently with this proxy statement. The Annual Report is not to be regarded as proxy soliciting material, and we do not intend to ask, suggest or solicit any action from the shareholders with respect to such report.

OTHER MATTERS

The Board of Directors knows of no other matters to be brought before the Annual Meeting. If other matters should come before the meeting, each of the persons named in the proxy intends to vote in accordance with his judgment on such matters.
