**SCI Engineered Materials, Inc.
To Participate in Photonics West 2026 Exposition**

COLUMBUS, Ohio (January 14, 2026) SCI Engineered Materials, Inc. (“SCI”) (OTCQB:SCIA), today announced it will be participating in the SPIE Photonics West 2026 Exposition from January 20-22, 2026, in San Francisco, California. It is the largest international industry tradeshow of the year, which includes top suppliers and leading companies engaged in light-based technologies within the global photonics and laser markets.

Members of SCI’s Marketing & Sales team will be meeting with customers and displaying key products at Booth #4733. Further details concerning SCI’s participation can be viewed at <https://sciengineeredmaterials.com/3564-2/>.

About SCI Engineered Materials, Inc.
